06/06/2016 - June 2016 Newsletter

What a year it has been so far! Not only have we launched a new fundraising campaign, "Raise The Roof 2016", we have also begun our major project of building three new buildings on site!

The Build Has Begun!

A little over 4 weeks ago, we began the process of building our new reception and classrooms, starting with the demolition of the old conservatory on the side of the lodge.

At this point in time, the foundations have been laid, and work is now underway to build up to ground level ready for the concrete slab on which the buildings will sit!

Going for gold

On Sunday the 10th of April, Dan ran the Asics Greater Manchester Marathon to aid our Raise The Roof campaign. After what I can only imagine was a very gruelling race, I am very pleased to announce that he completed the course in a time of 5 hours, 52 minutes, and 47 seconds, and has raised over £1000 towards our new roof! There are photos from the event on our Facebook feed. A massive thank you to Dan, and also to everybody who donated.

"Chosen by you, given by us"

FreshFields is now enlisted on Asda's green token scheme. Throughout the months of June, July, and August, when you shop at Burnley Asda, ask at the checkout for a green token and pop it in our bay in the foyer. The more green tokens we collect, the greater our chance of winning a substantial donation.

An Evening With A Spiritualist Medium

On Friday the 8th of July we are hosting the next event of our Raise The Roof Campaign, an evening with spiritualist medium Rob Dooley at The Inn On The Wharf.

Doors open at 6:45pm and it will start at 7:00pm. Tickets must be purchased in advance and are £8 each. To purchase tickets please contact us on 01282 832820 or administrator@freshfieldsltd.org.uk.

A date for your diary

On June 18th 2016, our Annual Bowling Tournament will be taking place once again. Who will be crowned the Champion this year?

Watch this space

Throughout the coming year, we have numerous events being planned to raise funds for the new roof. Look out for a sponsored virtual cycle to London, a pop up restaurant, and possibly even a skydive in the coming months!
