

12/10/2016 – October 2016 Newsletter

Students bid a fond farewell on the 28th September as the Bric a Brac market at Burnley closed for good. Market day was such a popular activity, we had to implement a rota. Lucky for us we now have a stand on Accrington Flea Market on Thursdays.

Building for the future

As you can see, the work on the 1st new classroom is well underway. The concrete slab went down at the beginning of August. Then we had a little wait for the wood to be delivered.

It was all systems go, early September, when the wood arrived, getting it treated and the building erected.

The next part is to give it a warm roof (insulate / Velux windows & slate).

The festive season is coming

During the year Freshfields has held fundraising/awareness stalls at various locations. We were at Hapton Heritage Festival, Towneley Classic Car Show and Padiham Party In The Park, increasing local community awareness. At the moment we are busy trying to make Christmas crafts to sell at local Christmas Fairs. If any of you are interested in buying some, just ask a staff member.

Watch out for things that go bump in the night

To celebrate one of our favourite times of the year we are trying to organise a spooky disco with a fancy dress competition. So brush the cobwebs off your pumpkins and broomsticks, and get your vampire fangs out 🦇

We will let you all know the details as soon as they are sorted.

A gift from ASDA

Thank you to all who supported us through the ASDA Green Token scheme. We didn't come first, but on the 28th September we were presented with a cheque for £200.

We have also done a bag pack on Sunday 9th October at Burnley ASDA.

Thanks so much to ASDA for allowing us to participate, it'll all go to our 'Raise the Roof campaign'!

Upcoming events

We are in the process of organising a bonfire night, curry evening, Christmas party and the carol concert. Keep your eyes open for emails/letters with all the details.
